

## Student iPad Contract

**Ms. McCabe, Bartow High School Teacher**

I am very excited to introduce the iPad to the classroom and teach you how to use this device in a productive and creative way! Please read the following agreement below. These guidelines are written to insure the longevity and safe use of the iPads in the classroom.

1. I will only sign onto the iPad with my personal account and assigned iPad number.
2. I will acknowledge my role as a responsible digital citizen and do the following:
  - Report any damage or changes to iPad within the first five minutes.
  - Be aware that tampering or changing the configuration and/or settings of the iPad can impact the use experience for all other users and is strictly prohibited.
  - Do not change the wallpaper; leave photos on the Camera Roll, or messages in the Notes app.
  - Respect the accounts of other students, LOG-OUT from other accounts if the previous user forgot to do so.
  - Be aware at all times of the location of the iPad and its proximity to situations that might damage it (water from the sink or lab, food/drink from another student, falling risk from edge of table or desk, etc.)
  - The email address associated with each account is for educational use only—we will be alerted right away of any misuse. Furthermore, all school rules pertaining to web access and downloading of materials are always in effect.
3. I will only use the iPad for work that my teacher assigns.
4. I will not download any content or apps onto the iPad. I understand the iPad is a learning tool, not a toy.
5. I will handle the iPad with care, carrying it with two CLEAN hands, wiping the screen after use.
6. I will follow class rules regarding no food or drink in the classroom and will keep these away from the iPad.
7. I will return the iPad to the appropriately numbered slot and plug it into the correct charge cord.
8. I will enjoy using the iPad to learn.
